## The Vintage Club

A year between health checks is a long time when you're in your twilight years-as with ourselves, 2 or 3 checks a year are often more appropriate. For dogs and cats, this is recommended from when they are over 8 years of age.

Why not take advantage of our FREE senior clinic and bring your furry friend in for a visit 4-6months after their annual booster.

This gives us an opportunity to discuss minor health issues or queries you may have concerning routine care (vaccinations, worming), behaviour issues and diet and exercise advice.

Our RCVS qualified nurses will also carry out a health examination including free urine sample analysis(so please bring this with you!) and dental and weight assessments.

If you are interested please ask Jade at reception for a questionnaire and bring this to your appointment completed, together with a urine sample.

become used to a more relaxing lifestyle. We all love our pets and want to treat them, but being overweight is very unhealthy. It can lead to different health problems such as diabetes and heart disease, and can complicate others, for example arthritis.

It can sometimes be difficult to tackle the problem on your own so why not come along to our portly pets weight management clinic.

This involves a FREE consultation with our qualified nurses, who are eager to give you all the advice and encouragement you need. Regular weigh-ins, body condition scoring and nutritional advice are also provided to help you get your four-legged friend looking slender again

## Portly Pets

It is becoming increasingly common for dogs and cats to be on the heavier side of their ideal weight. As with humans, this can happen if their energy intake is too high or if they have

**The clinics with our nurses run on Monday, Wednesday and Friday afternoons, please contact us for an appointment.**

We have been raising money  
for Children in Need!

We had “Guess the number of cat kibble pieces in the jar”, “Guess the number of dog kibble pieces in the jar” and, “Guess the baby pictures” competitions.

So far we have raised £60.96, thank you all for your support.
